MESSAGE FROM BOARD CHAIR / OTUMFUO HIAHENE

As we conclude the year 2025 and look ahead to the opportunities of 2026, we celebrate a Foundation that, for a quarter of a century, has stood as a beacon of hope, a symbol of progress, and a testament to the unwavering commitment of His Majesty Otumfuo Osei Tutu II to improving the quality of life of the people of Asanteman and Ghana at large.

This edition of our newsletter reflects on where we have come from and reaffirms our dedication to the journey ahead.

A LEGACY OF HOPE AND PROGRESS

Since its inception, the Otumfuo Osei Tutu II Foundation has been guided by a simple yet profound vision: to uplift communities and transform lives. Over the past 25 years, this vision has translated into meaningful and measurable impact touching millions through education, healthcare, sustainable infrastructure, and community development. As you read this year's highlights, we invite you to reflect with us on this remarkable legacy and the lives transformed through our collective efforts.

EDUCATION: EMPOWERING THE NEXT GENERATION

Education has remained one of the Foundation's cornerstone pillars. Over the years, thousands of children who once faced uncertainty in their academic journey have received scholarships, learning materials, and crucial school infrastructure support. Classrooms have been renovated, libraries established, and teachers empowered all to ensure that every child has the opportunity to learn and excel. Today, many of these beneficiaries are contributing as professionals in key sectors, carrying forward the impact of these investments.

HEALTHCARE: STRENGTHENING OUR COMMUNITIES

Recognizing that a healthy nation is a prosperous one, the Foundation has continued to advance access to quality healthcare. Through the construction and support of health facilities, medical outreaches, and maternal health programs, thousands have benefitted from screenings, surgeries, and vaccinations. These interventions have strengthened communities and reinforced our commitment to ensuring that quality healthcare remains a right, not a privilege.

MESSAGE FROM BOARD CHAIR / OTUMFUO HIAHENE

SUSTAINABLE INFRASTRUCTURE: BUILDING FOR THE FUTURE

The Foundation's commitment to sustainable development has been evident in its support for clean water systems, modern classrooms, sanitation facilities, and improved road networks in underserved communities. These projects have enhanced daily living conditions and equipped communities with the infrastructure needed to drive their own development well into the future.

ICT AND ENTREPRENEURSHIP: PREPARING FOR A DIGITAL FUTURE

As the digital era continues to reshape global economies, the Foundation has taken deliberate steps to prepare our youth for this evolving landscape. ICT training programs and the establishment of Computer and Robotics labs have provided young people with the skills required to thrive in a technology-driven world.

In addition, our entrepreneurship initiatives have supported small businesses with resources and mentorship, helping to stimulate innovation, job creation, and economic growth.

COMMUNITY DEVELOPMENT: A SHARED RESPONSIBILITY

True progress is sustainable only when commu-

nities are empowered to shape their own futures. Through various community engagement initiatives ranging from environmental conservation to leadership development the Foundation has fostered a culture of self-reliance, unity, and shared responsibility. The ripple effects of these efforts continue to be felt across generations.

GRATITUDE AND APPRECIATION

As we close 2025, we extend profound gratitude to His Majesty Otumfuo Osei Tutu II and Her Royal Highness Lady Julia Osei Tutu, whose vision, leadership, and unwavering dedication continue to inspire our mission.

We also acknowledge the Board, management, staff, partners, donors, and volunteers whose commitment has made every milestone possible. Your support continues to strengthen the Foundation's work and impact.

MESSAGE FROM BOARD CHAIR / OTUMFUO HIAHENE

LOOKING AHEAD TO 2026

Standing on 25 years of transformation, we renew our commitment to building a future where every child has access to quality education, every family receives the healthcare they deserve, and every community has the opportunity to thrive.

As we step into 2026, we look forward to deepening our impact, expanding our reach, and continuing the legacy of hope and progress that defines this Foundation.

Long live Otumfuo Osei Tutu II (Nana Wo Nkwa So!)

Long live Asanteman (Asanteman Nkwa So!)

Long live Ghana (Ghana Man Nkwa So!)

Nana Prof. Oheneba Boachie-Adjei Woahene II

MESSAGE FROM KEY PARTNERS

ADWINSA PUBLICATIONS GH. LTD.

ADVANCING
EDUCATION
THROUGH
PARTNERSHIP

Adwinsa Publications Limited, one of the leading Ghanaian publishing and printing company since 1977 is dedicated to producing high-quality educational materials that educate, motivate and empower individuals and communities. With a strong commitment to promoting literacy, they provide textbooks, supplementary readers, and other educational resources while also engaging in philanthropic initiatives.

As part of their mission, Adwinsa has partnered with the Otumfuo Osei Tutu II Foundation to enhance education in Ghana, particularly in the Ashanti Region. A key highlight of this collaboration is the annual Joint Celebration of the International Day of Education, which brings together students and stakeholders each year to highlight the importance of learning.

This partnership aligns with Adwinsa's vision of creating a lasting impact through education and resonates with His Majesty Otumfuo Osei Tutu II's unflinching commitment to empowering the next generation through knowledge.

THEMATIC AREA EDUCATION

2025
OOTIIF PROJECTS

On January 24, 2025, the Foundation hosted an inspiring program at the Prempeh Assembly Hall in Kumasi, bringing together 400 participants, including JHS students, teachers, headteachers, education directors, Nananom, and staff of Adwinsa Publications.

The event was held under the theme: “Preserving Human Agency in a World of Automation, AI, and Education.” Speakers highlighted the critical role of education in helping students understand the current impact of Artificial Intelligence (AI) and its potential contributions to national development.

In support of learning, Adwinsa Publications generously donated 2,500 copies of supplementary reading materials, which were distributed to students and schools present at the event. The initiative not only enhanced access to learning resources but also promoted literacy, critical thinking, and awareness of emerging technologies among young learners. Through programs like this, the Foundation continues to equip students and educators with knowledge and tools to thrive in an increasingly automated and digital world, fostering a generation of informed, capable, and innovative leaders.

2025
OOTIIF PROJECTS

This year, the Foundation proudly supported 11 talented spellers at the National Finals. Four of our students advanced to the 6th round, demonstrating exceptional skill and determination in a highly competitive environment.

Among them, two outstanding spellers distinguished themselves by earning the Black Drone Award, recognizing them as part of the Top Ten National Best Spellers in the vocabulary test.

The award-winning students are:

- Abeiku Ampah – St. Louis Jubilee Basic School, Kumasi
- Kwaku Nhyira Oduro-Korankye – Martyrs of Uganda R/C Basic School, Kumasi

These achievements highlight the Foundation's commitment to nurturing academic talent, encouraging literacy, and providing opportunities for young learners to excel on national platforms. Through initiatives like this, students not only gain recognition but also build confidence, critical thinking skills, and a passion for learning that will serve them well into the future.

THEMATIC AREA EDUCATION

2025
OOTIIF PROJECTS

This year, our project has positively impacted 1,464 students across six communities and engaged 425 farmers in capacity-building initiatives. The students received comprehensive training in basic ICT skills and reading, equipping them with tools for academic success and digital literacy. In ICT, instructors covered topics including computer fundamentals, identifying computer parts and their uses, file management (creating and organizing folders), painting software, and Microsoft Word applications. The reading sessions emphasized literacy skills, teaching students how to engage with storybooks, follow proper library etiquette, turn pages correctly, and use resources such as dictionaries and online tools like Google to explore word meanings.

In parallel, farmers benefited from practical training on best agricultural practices facilitated by Agroecom field officers. These sessions aimed to enhance productivity, promote sustainable farming methods, and strengthen local food security.

The initiatives reached the following communities: Otaakrom, Baakoniaba, Anwiafutu, and Adiembra in the Atwima Mponua District, as well as Kotwea and Edwinase in the Adansi South District of the Ashanti Region.

Through these efforts, the project continues to empower both young learners and farmers, fostering education, innovation, and sustainable livelihoods within the Ashanti Region.

On Friday, March 7, 2025, the Foundation hosted a powerful Women's Empowerment Forum. That is, the Lady Julia Mentorship Masterclass at the Great Hall of KNUST, under the theme: "Accelerate Action; Together We Forge Women's Equality."

The event brought together students, educators, and community leaders to engage in meaningful discussions on gender equality, leadership, and career development. Prominent women speakers included:

- Nana Dr. Phyllis Tawiah, Queen Mother of Aninkorama
- Nana Prof. Ekuu Suapem Nyaniba, Cape Coast Traditional Council
- Prof. Mercy Badu, Senior Lecturer, KNUST
- Mrs. Appiah Wiafe Adofo, Country Director, World University Service of Canada

They addressed students on critical issues such as gender-based violence and discrimination, opportunities for women in STEM, career planning, skills development, and leadership roles for women.

The forum was further honored by the presence of Her Royal Highness Lady Julia Osei Tutu, Nana Prof. Oheneba Boachie-Adjei Woahene II (Otumfuo Hiahene and Board Chair of the Otumfuo Foundation), Prof. Rita Akosua Dickson (Vice-Chancellor, KNUST), and several paramount queen mothers.

This event reinforced the Foundation's commitment to empowering young women, providing them with knowledge, mentorship, and inspiration to pursue leadership roles and contribute meaningfully to society. By fostering dialogue and awareness, the forum continues to promote equality, opportunity, and agency for women in Ghana and beyond.

THEMATIC AREA EDUCATION

2025
OOTIIF PROJECTS

The Foundation's literacy program continues to promote Asante Twi and English reading among Junior High School students in Asanteman, fostering both language proficiency and a love for reading. This year, in partnership with the Ghana Education Service (GES), the competition was organized across

all 43 Metropolitan, Municipal, and District Assemblies of the Ashanti Region. Over 1,000 Junior High Schools participated at the community stage, from which 60 top students advanced to the knockout rounds. Following rigorous elimination stages, five students progressed to the finals.

The finalists represented the communities of Kunsu, Mampong, Kwadaso, Obuasi, and Twedie. Emerging as the overall winner of the 2025 challenge was 14-year-old Freda Owusuaa Acheampong from Mampong, whose remarkable talent and dedication stood out among her peers. The program was proudly supported by traditional leaders, including Nana Agyemang Badu Duah (Kunsehene), Nana Yim Awere Ababio (Toasehene), and Nana Addae Gyamerah (Feyiasehene). Corporate partners such as JP Trustees Limited, ECOM Ghana, Kitty Properties, Olam Foods Ingredients, AngloGold Ashanti, Twellium Industries, Indomie, Promasidor, and DH Industries also contributed, ensuring the success and wide reach of the program. Through initiatives like this, the Foundation continues to enhance literacy, celebrate academic excellence, and nurture the next generation of confident, skilled readers in Asanteman.

THEMATIC AREA EDUCATION

2025
OOTIIF PROJECTS

The Otumfuo Scholarship for Higher Learning continues to empower brilliant but financially disadvantaged students to achieve their dreams at the tertiary level.

This year, ten (10) new students have been awarded full scholarships, enabling them to pursue their studies for a period of four to six years. Beyond providing financial support, the program nurtures academic excellence, personal development, and the confidence needed to succeed in higher education and future careers.

In addition to full scholarships, many other students are benefiting from partial scholarships through strategic partnerships with institutions such as KsTU, Neumann College of Nursing, and Our Lady of Grace Senior High School.

Over the years, the scholarship program has transformed the lives of countless students, not only by covering tuition fees but also by offering mentorship, guidance, and a platform to realize their full potential. Through this initiative, the Otumfuo Osei Tutu II Foundation continues to uphold its commitment to education as a catalyst for personal and societal development.

MESSAGE FROM KEY PARTNERS

AGROECOM GHANA LIMITED

Ecom Ghana, a key partner of the Otumfuo Osei Tutu II Foundation, is a leading agro-industrial company committed to creating rural prosperity through its diverse businesses in the agriculture value chain. Since 2017, Ecom Ghana, through its subsidiary AgroEcom Ghana Limited, has partnered with the Foundation on the Otumfuo-Agroecom Mobile Learning Project (OAML), impacting over 62,646 school children and 2,140 farmers across 107 communities. This initiative has enhanced literacy, ICT skills, and agricultural practices, fostering growth and sustainable livelihoods in cocoa-growing communities across several regions in Ghana.

THEMATIC AREA EDUCATION

2025
OOTIIF PROJECTS

As part of its vision to equip one million students with educational resources, the Foundation, in partnership with AngloGold Ashanti, donated 10,086 copies of Asante Twi textbooks to 47 Junior High Schools in Obuasi.

The textbooks are designed to support students in better understanding the topics learned in class while also fostering a deeper appreciation of the history and culture of the Asante people. By providing these resources, the initiative strengthens literacy, promotes cultural heritage, and empowers young learners to excel academically and socially.

This partnership exemplifies the Foundation's commitment to enhancing educational outcomes and preserving cultural identity among the next generation of students in the Ashanti Region.

2025
OOTIIF PROJECTS

Continuing its commitment to enhancing educational opportunities, the Foundation distributed 21,557 copies of NaCCA-approved textbooks to 36 basic schools in underserved communities across Asanteman.

The textbooks covered key subjects, including English Language, Mathematics, Science, Creative Arts, History, and Career Technology, providing students with essential learning materials to support their academic growth.

By supplying these resources, the Foundation aims to bridge educational gaps, improve classroom learning, and empower students in underserved communities with the knowledge and skills needed to succeed academically and beyond.

THEMATIC AREA EDUCATION

2025
OOTIIF PROJECTS

In partnership with Newmont Ghana Gold Limited, the Foundation has commissioned two new Artificial Intelligence (AI) Smart Labs in Toase (Atwima Nwabiagya Municipal, Ashanti Region) and Sankore (Asunafo South, Ahafo Region). This brings the total number of AI labs under the project to four, expanding opportunities for young people across multiple regions.

The Smart Labs serve as innovation hubs where students can explore the dynamic world of technology and AI, experiment with creative solutions, and develop critical skills for the future. By providing access to cutting-edge tools and resources, the labs are designed to nurture thinkers, inventors, and leaders of tomorrow, equipping them to thrive in a rapidly evolving technological landscape.

This initiative aligns with the Foundation's commitment to promoting STEM education and technological literacy, ensuring that young learners in Ghana are well-prepared to contribute to national development and global innovation.

OOTIIF PROJECTS

The Foundation proudly announces the completion of a magnificent new 3-storey 600-bed capacity dormitory block, which has been handed over to the Sefwi Wiawso Senior High School at Sefwi Wiawso. The building is expected to be officially commissioned after six months, following the completion of the defect liability period.

The state-of-the-art facility is designed to provide comfortable and secure accommodation for students and includes:

- 21 rooms for students
- 28 washrooms and 10 open showers
- Prefects' room
- Housemistress flat with 2 bedrooms, hall, kitchen, washrooms, and veranda
- Infirmary with OPD, 2 wards, and 4 washrooms
- Ironing area

This new facility underscores the Foundation's commitment to enhancing the learning environment, ensuring students have access to modern, safe, and functional accommodation that supports both academic and personal development.

**ONE-STOREY 4-UNIT TWO
BEDROOM FLATS AT ST.
LOUIS SENIOR HIGH SCHOOL**

The Foundation is pleased to announce the completion and handover of a new staff bungalow to the school. With a student population of over 5,500 and 229 teaching staff, only 30 teachers currently reside on campus. The new bungalow therefore provides a major relief, offering much-needed accommodation for staff.

Providing decent and comfortable housing for teachers helps foster stable, dedicated, and inspired teaching communities, which in turn enhances the overall learning environment for students.

Each flat in the bungalow is designed for functionality and comfort, containing:

- Two bedrooms
- Hall
- Kitchen
- Two washrooms

This initiative reflects the Foundation's ongoing commitment to supporting educators, improving school infrastructure, and promoting academic excellence through better living and working conditions for staff.

A WARM WELCOME TO NANA OKYERE KUSI NTRAMA

We are pleased to officially welcome Nana Okyere Kusi Ntrama, Paramount Chief of the Essumeja Traditional Area and seasoned mining executive, as a member of the Board and Vice Chairperson of the Otumfuo Osei Tutu II Foundation.

With over three decades of leadership in the mining and extractives sector across Ghana, South Africa, Mali, and the DRC, Nana Ntrama brings deep operational experience, corporate governance insight, and a strong commitment to sustainable development.

We are excited about the wealth of expertise he brings to the Foundation's mission, and we look forward to his guidance and leadership as we expand our impact across the areas of health, education, culture, and economic empowerment.

Welcome on board,

NANA OKYERE KUSI NTRAMA

VICE BOARD CHAIRMAN, OTUMFUO FOUNDATION

FUNDRAISING GALA

2025
OOTIIF PROJECTS

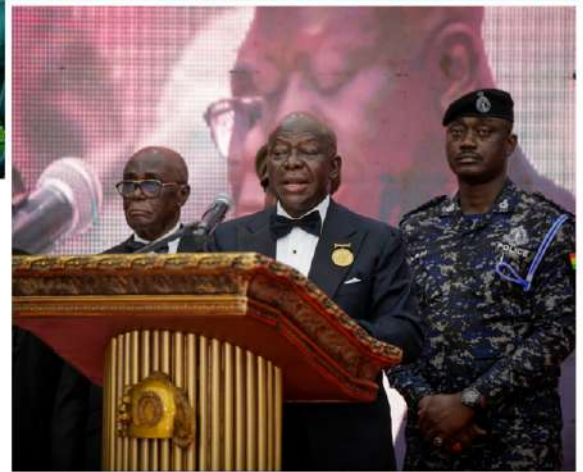

This year marked a milestone in the history of the Foundation as we celebrated 25 years of transformative work. The Silver Jubilee event was the highlight of the year, bringing together over 600 distinguished guests, including Nananom, partners, sponsors, collaborators, stakeholders, and individuals who have contributed to the growth and success of the Foundation over the past quarter-century.

A special documentary was showcased, highlighting the Foundation's extensive projects and programs across education, health, women empowerment, and community development. In a heartfelt moment, past executives were honored by His Majesty Otumfuo Osei Tutu II for their invaluable contributions to the Foundation's mission.

Adding to the legacy, the former President of Ghana, John Agyekum Kufuor, officially launched an endowment fund aimed at supporting future projects, ensuring that the Foundation's impact continues to grow sustainably for generations to come.

The Silver Jubilee was not only a celebration of past achievements but also a renewed commitment to excellence, innovation, and service, reinforcing the Foundation's vision to uplift communities and transform lives across the Ashanti Region and beyond.

OTUMFUO OSEI TUTU II FOUNDATION

ENDOWMENT FUND 2025

The Foundation notwithstanding the massive work done continues to forge ahead as the OOTIIF is determined to impact on more lives in the coming years. In this direction, an Endowment Fund was launched by His Excellency Former President John Agyekum Kufuor who applauded the King for the enormous work done through the Foundation the past 25 years. In launching the Otumfuo Foundation Endowment Fund and unveiling its official logo, President John Agyekum Kufuor urged everyone to contribute to the fund, which aims to raise GHC 50 million over the next five years.

THEMATIC AREA HEALTH

2025
OOTIIF PROJECTS

In collaboration with the Special Lady Awareness Foundation, the Otumfuo Osei Tutu II Foundation organized a Reproductive Health and Menstrual Hygiene Education outreach at two renowned girls' schools in the Ashanti Region: Yaa Asantewaa Girls Senior High School and Kumasi Girls Senior High School.

The outreach aimed to educate young girls on essential topics related to reproductive health, menstrual hygiene, and overall wellness, while also addressing the challenges many faces in accessing sanitary products. In addition to the health talks, over 3,000 sanitary pads were donated across both schools, ensuring that the students are adequately equipped to manage their menstrual cycles hygienically and with dignity.

Through this initiative, the Foundation continues to empower young women with knowledge, resources, and confidence, promoting health, well-being, and the ability to fully participate in their education and communities.

MANHYIA HOSPITAL DONATION

On Tuesday, 20th May 2025, the Otumfuo Osei Tutu II Foundation reaffirmed its commitment to improving healthcare delivery in the Ashanti Region and beyond by making a significant donation to the Nana Konadu Yiadom III Maternity Block at the Manhyia Government Hospital. The donation, valued at One Hundred and Ten Thousand, Four Hundred Ghana cedis (GH¢110,400.00), included essential medical and facility improvement items designed to enhance patient care and hospital operations. These items comprised:

- 6 Air Conditioners • 5 Hospital Beds
- 4 Buckets of Paint • 1 Sterilizer Machine
- 1 Theatre Lamp • 3 Executive Chairs
- 3 Executive Desks

This contribution reflects the Foundation's ongoing efforts to support healthcare infrastructure, improve patient comfort, and equip medical facilities to deliver high-quality services to the community. Through initiatives like this, the Foundation continues to demonstrate its dedication to uplifting lives and promoting well-being in the Ashanti Region.

2025
OOTIIF PROJECTS

From January to December 2025, the Foundation's dental health project has made a significant impact in the lives of 14,237 people, the majority of whom are school children. Among these, 9,946 children benefited from scaling and polishing, while 1,166 underwent extractions across 71 underserved communities in the Ashanti Region.

In partnership with Smiles For Everyone Foundation, the project has not only improved oral health but also brought joy and confidence to countless children and community members. By reaching deprived basic schools and communities, the initiative continues to promote hygiene, wellness, and overall well-being, putting smiles on the faces of many and fostering healthier futures.

SPONSORED BY:

In October 2025, the Foundation led an impactful breast cancer advocacy campaign spearheaded by Her Royal Highness Lady Julia Osei Tutu, in partnership with Breast Care International. The initiative aimed to sensitize the public on the causes, effects, and prevention of breast cancer, while providing vital screening services to promote early detection and save lives.

The campaign reached a wide audience through screenings conducted at seven government hospitals across Greater Kumasi. In addition, three major markets, Tapa, Bekwai, and Abofour benefited from community outreach programs, ensuring that women in both urban and peri-urban areas had access to education and preventive care.

Through this initiative, the Foundation continues to promote health awareness, empower communities with knowledge, and provide access to life-saving health services, demonstrating its commitment to holistic well-being in the Ashanti Region.

HONORING

A PILLAR OF THE FOUNDATION

Dr. Kwame Bawuah-Edusei @70

As the Otumfuo Foundation marks a significant milestone in our journey this mid-year, we pause to celebrate one of our most remarkable Board Members, Dr. Kwame Bawuah-Edusei on the occasion of his 70th birthday.

Dr. Bawuah-Edusei has been more than just a member of our Board; he has been a steady rock, a guiding light, and an unwavering advocate for the Foundation's mission and vision. His contributions over the years have been tremendous, grounded in passion, wisdom, and a deep commitment to improving lives across Ghana.

Through his leadership, strategic insight, and philanthropic spirit, he has helped shape the direction of our work, ensuring that every initiative aligns with the values of service, dignity, and impact that define us.

On this special occasion, we celebrate not just the age, but the legacy of a man whose dedication continues to inspire the entire nation. Dr. Bawuah-Edusei, we salute you, we appreciate you, and we wish you continued strength, health, and fulfillment in the years ahead.

Happy 70th Birthday, Sir!

THEMATIC AREA WATER & SANITATION, COMMUNITY DEVELOPMENT

2025
OOTIIF PROJECTS

In partnership with Harambee International, USA, the Foundation commissioned two mechanized boreholes in Akrofonso (Sekyere Kumawu District) and the Kokooase Cluster of Schools, Effiduase (Sekyere East District) in the Ashanti Region.

These boreholes are expected to serve over 2,500 people, including school children, providing reliable access to safe and clean drinking water. By improving water supply in these communities, the initiative promotes better health, hygiene, and overall well-being, while also supporting students' ability to focus and thrive in their studies.

This project aligns with the Foundation's ongoing commitment to enhancing basic infrastructure and improving the quality of life in underserved communities across the Ashanti Region.

2025
OOTIIF PROJECTS

In partnership with First Atlantic Bank, the Foundation is redeveloping the Children's and Youth Park into a state-of-the-art facility that will serve as both a learning center and recreational space for children and young adults.

The first phase of the redevelopment, expected to be completed within 24 months, includes:

- Fencing and landscaping
- A maintenance building
- Washrooms
- Mechanized boreholes
- Solar panels
- Security posts

The project is currently ongoing and, once completed, will provide a safe, engaging, and educational environment where children and young adults can learn, play, and develop holistically.

This initiative reflects the Foundation's commitment to youth development, education, and community well-being, ensuring that young people in the Ashanti Region have access to high-quality recreational and learning facilities.

HONOURING REV. DR. AKUA: PHD MILESTONE

The Otumfuo Osei Tutu II Foundation proudly celebrates one of our distinguished Board Members, Rev. Dr. Akua B. Ofori-Boateng, on the successful completion of her Doctor of Philosophy (PhD) in Theology from the South African Theological Seminary (SATS).

Her doctoral dissertation, titled "A Study of the Lived Experiences of Eight Clergywomen Ordained in the Anglican Diocese of Accra (ADOA), Ghana, between 2011 and 2019," is a powerful and timely exploration of gender, faith and leadership.

This scholarly work is not only a valuable academic contribution but also a call to action—urging the Church to embrace equity, inclusivity and the full potential of all its members. As Rev. Dr. Akua beautifully puts it:

"This study is more than academic—it is the sacred testimony of each of these women. By amplifying the voices of clergywomen in our Diocese, I pray it becomes a catalyst for deeper dialogue, greater equity and a fuller embrace of God's call on all His daughters. Their struggles and triumphs are not just history; they are the seeds of a more inclusive future for the Church."

Rev. Dr. Akua B. Ofori-Boateng's achievement is a source of inspiration not only to women in ministry but to all who strive for transformation and justice in faith communities. Her unwavering dedication to theological reflection, gender advocacy and spiritual leadership continues to enrich the mission of our Foundation.

We celebrate this outstanding milestone with great pride and extend our heartfelt congratulations. **Ayekoo, Rev. Dr. Akua B. Ofori-Boateng!** May your journey continue to blaze trails and bless many.
